

## **Luther Foundation**

The Luther Foundation is planning a commemorative brick memorial pathway in front of the Gazebo to be located behind Luther House II. The personalized bricks are a lasting tribute to honor, memorialize or remember those who have spent a portion of their lives at Luther House.

We estimate approximately 600 bricks to line the pathway leading to and surrounding the Gazebo. The winding pathway will be flanked by rows of memorial bricks, creating a special walkway.

## *Gazebo Memorial & Walkway*

## A Lasting Memorial

The Gazebo Memorial and Walkway will be a place where residents, families and visitors can spend a quiet moment for meditation and reflection in a beautiful setting convenient to all Luther House Apartments.

Nestled among gardens, natural landscapes peppered with blue-

bird houses and landscaped foliage, the Gazebo

Memorial and Walkway will also be a place for families to visit and friends to sit and relax.

## Commemorative Opportunity

In 2001, the first Luther House building was opened. Since then three other buildings have been completed, offering affordable housing to elderly low-income residents.

Over the years, many in our community have expressed a desire to contribute in a way that honors a family member or friend. Bricks may be purchased in memory of loved ones who have spent a portion of their life at Luther House.

Family members and friends can purchase a 4" x 8" personalized brick paver for \$30. The Gazebo Memorial and Walkway offers a lasting tribute.
